شماره قفسه: \_\_\_\_\_

Handwritten notes in Persian script, including dates and names, located at the top of the manuscript pages.

Left page of the manuscript, featuring dense handwritten text in Persian script, likely a historical or religious document.

Right page of the manuscript, featuring dense handwritten text in Persian script, continuing the text from the left page.

Handwritten text in Persian script, top-left page. The text is arranged in approximately 10 horizontal lines, written in a cursive style. The paper shows signs of age and wear, with some staining and irregular edges.

Handwritten text in Persian script, top-right page. The text is arranged in approximately 10 horizontal lines, written in a cursive style. The paper shows signs of age and wear, with some staining and irregular edges.

Handwritten text in Persian script, bottom-left page. The text is arranged in approximately 10 horizontal lines, written in a cursive style. The paper shows signs of age and wear, with some staining and irregular edges.

Handwritten text in Persian script, bottom-right page. The text is arranged in approximately 10 horizontal lines, written in a cursive style. The paper shows signs of age and wear, with some staining and irregular edges.

Handwritten text in Persian script, top-left page. The text is arranged in approximately 10 horizontal lines, written in a cursive style. The paper shows signs of age and wear, with some staining and discoloration.

Handwritten text in Persian script, top-right page. The text continues from the previous page, filling the page with dense, cursive handwriting. The right edge of the page is slightly irregular.

Handwritten text in Persian script, bottom-left page. The text is organized into several lines, with some larger characters or words that may serve as section markers. The ink is dark, and the paper is aged.

Handwritten text in Persian script, bottom-right page. This page contains the final lines of text from this section, written in the same cursive hand as the other pages. The text is dense and fills most of the page area.

Handwritten text in Persian script, likely a manuscript or letter, covering the top-left page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a manuscript or letter, covering the top-right page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a manuscript or letter, covering the bottom-left page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a manuscript or letter, covering the bottom-right page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a list or index, covering the top half of the right page. The text is arranged in several columns and includes various names and titles.

Handwritten text in Persian script, continuing the list or index from the top half of the right page. The text is arranged in several columns and includes various names and titles.

Handwritten text in Persian script, likely a list or index, covering the top half of the left page. The text is arranged in several columns and includes various names and titles.

Handwritten text in Persian script, continuing the list or index from the top half of the left page. The text is arranged in several columns and includes various names and titles.

Handwritten text in Persian script, likely a manuscript or a collection of letters. The text is densely packed and covers most of the page. The script is a cursive style, characteristic of Persian calligraphy. The text is arranged in several columns, with some lines starting with larger, decorative letters. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, continuing from the previous page. The text is densely packed and covers most of the page. The script is a cursive style, characteristic of Persian calligraphy. The text is arranged in several columns, with some lines starting with larger, decorative letters. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, likely a manuscript or a collection of letters. The text is densely packed and covers most of the page. It appears to be a collection of various notes or correspondence, possibly related to administrative or scholarly matters. The script is a clear, cursive style typical of the period.

Handwritten text in Persian script, continuing from the top page. The text is organized into several distinct sections or paragraphs, separated by some larger, bolded lines or headings. The content seems to be a continuation of the same themes or a new set of related notes. The handwriting remains consistent with the top page.

Handwritten text in Persian script, likely a manuscript or historical document. The text is densely packed and covers the entire page. It appears to be a collection of entries or a list, possibly related to administrative or military matters. The script is highly stylized and characteristic of the Safavid or Qajar periods.

Handwritten text in Persian script, continuing from the top page. The text is densely packed and covers the entire page. It appears to be a collection of entries or a list, possibly related to administrative or military matters. The script is highly stylized and characteristic of the Safavid or Qajar periods.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with larger, possibly decorative or section-indicating characters. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. This page continues the text from the left page. The handwriting is consistent, and the layout is similar, with multiple lines of text filling the page. There are some variations in line length and spacing, typical of handwritten manuscripts.

Handwritten text in Persian script, bottom-left page. The text is dense and covers most of the page. It includes several lines that are more widely spaced, possibly indicating a change in topic or a specific point of emphasis. The overall appearance is that of a well-used manuscript.

Handwritten text in Persian script, bottom-right page. This page contains the final portion of the text. It features a mix of dense writing and some larger, more prominent lines. The script remains clear and legible throughout, despite the age of the document.

Handwritten text in Persian script, densely packed across the top page. The text is written in a cursive style and covers the entire width of the page. It appears to be a collection of notes or a list of items, with some lines starting with larger characters that might be section markers. The ink is dark, and the paper shows some signs of age and wear.

Handwritten text in Persian script, densely packed across the bottom page. The text continues from the top page, maintaining the same cursive style. There are some variations in line length and spacing, suggesting a list or a series of entries. The overall appearance is that of a well-used manuscript or notebook.

Handwritten text in Persian script, top-left page. The text is arranged in approximately 10 horizontal lines, written from right to left. The ink is dark, and the paper shows signs of age and wear, including a large brown stain in the lower-left quadrant.

Handwritten text in Persian script, top-right page. The text is arranged in approximately 10 horizontal lines, written from right to left. The ink is dark, and the paper shows signs of age and wear, including a large brown stain in the lower-left quadrant.

Handwritten text in Persian script, bottom-left page. The text is arranged in approximately 10 horizontal lines, written from right to left. The ink is dark, and the paper shows signs of age and wear, including a large brown stain in the lower-left quadrant.

Handwritten text in Persian script, bottom-right page. The text is arranged in approximately 10 horizontal lines, written from right to left. The ink is dark, and the paper shows signs of age and wear, including a large brown stain in the lower-left quadrant.

Handwritten text in Persian script, top-left page. The text is arranged in several columns, with some lines starting with large decorative initials. The script is dense and fills most of the page.

Handwritten text in Persian script, top-right page. Similar to the left page, it consists of multiple columns of dense cursive script.

Handwritten text in Persian script, bottom-left page. The text continues from the top page, maintaining the same columnar structure.

Handwritten text in Persian script, bottom-right page. The text continues from the top page, with some lines appearing more widely spaced than others.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with larger, possibly decorative or section-indicating characters. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. Similar to the left page, it contains dense cursive handwriting. The text is organized into several columns, with some lines being more prominent than others. The overall appearance is that of a well-used manuscript.

Handwritten text in Persian script, bottom-left page. The handwriting is consistent with the top pages, showing a clear and legible cursive style. The text covers most of the page, with some margins left open. The paper's texture and color are visible, suggesting an older document.

Handwritten text in Persian script, bottom-right page. This page also features dense cursive text, with some lines appearing to be part of a larger section or argument. The script is uniform and professional, typical of a scholar's or scribe's work.

Handwritten text in Arabic script, likely a list or index, covering the top half of the page. The text is dense and written in a cursive style.

Handwritten text in Arabic script, likely a list or index, covering the top half of the page. The text is dense and written in a cursive style.

Handwritten text in Arabic script, likely a list or index, covering the bottom half of the page. The text is dense and written in a cursive style.

Handwritten text in Arabic script, likely a list or index, covering the bottom half of the page. The text is dense and written in a cursive style.

Handwritten text in the top right corner of the upper right page.

Handwritten text in the top left corner of the upper left page.

Main body of handwritten text on the lower right page, written in dense cursive script.

Main body of handwritten text on the lower left page, including several lines of text and a large, stylized signature or heading.

Handwritten text in Arabic script, likely a continuation of a treatise or a list of items. The text is dense and covers most of the page.

Handwritten text in Arabic script, continuing from the previous page. It includes several lines of text with some larger, possibly decorative or significant, words.

Handwritten text in Arabic script, possibly a list or a detailed account. The text is arranged in several columns and appears to be a continuation of the work.

Handwritten text in Arabic script, continuing the text from the previous page. It features a mix of standard script and some larger characters.

Handwritten text in Persian script, likely a list or index, covering the top half of the page. The text is dense and written in a cursive style.

Handwritten text in Persian script, continuing the list or index from the top page. It is organized into several columns and contains numerous entries.

Handwritten text in Persian script, including a large block of text at the bottom of the page. The text appears to be a continuation of the list or index, with some entries written in a larger, more prominent hand.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a list of items, possibly related to a historical or administrative record. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. This page contains several lines of text, some of which are written in a larger, more prominent hand, possibly indicating a title or a significant entry. The script is consistent with the top-left page.

Handwritten text in Persian script, bottom-left page. The text continues from the top-left page, maintaining the same cursive style. There are some larger characters and headings interspersed throughout the text.

Handwritten text in Persian script, bottom-right page. This page features a large, stylized signature or heading in the center, with smaller text written around it. The text is organized into several distinct sections or paragraphs.

Handwritten text in Persian script, top-left page. The text is dense and written in a cursive style, covering most of the page.

Handwritten text in Persian script, top-right page. The text is dense and written in a cursive style, covering most of the page.

Handwritten text in Persian script, bottom-left page. The text is dense and written in a cursive style, covering most of the page.

Handwritten text in Persian script, bottom-right page. The text is dense and written in a cursive style, covering most of the page.

Handwritten text in Persian script, densely packed in several columns. The text appears to be a collection of verses or a narrative, written in a cursive style. Some words are written in larger, bolder script, possibly indicating emphasis or specific terminology. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, continuing from the left page. The layout is similar, with multiple columns of text. There are some larger characters and some lines that appear to be headings or section markers. The handwriting is consistent with the previous page, showing a high level of literacy and calligraphic skill.

Handwritten text in Persian script, located on the bottom-left page. The text is more sparse than the top pages, with fewer columns and more space between lines. It appears to be a continuation of the same work, possibly a different section or a summary. The script remains clear and legible.

Handwritten text in Persian script, located on the bottom-right page. This page is significantly less dense than the others, with very little text visible. There are some faint markings and a few larger characters, but the majority of the page is blank or contains very light, illegible text. A small circular stamp or mark is visible in the lower right corner.

Handwritten text in Persian script, likely a continuation of a letter or a treatise. The text is densely packed and written in a cursive style. It appears to be a response to a previous communication, discussing various matters of state or personal affairs. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, continuing the previous page. The text is organized into several distinct sections or paragraphs, separated by small gaps or changes in line direction. The handwriting remains consistent, showing a high level of skill and familiarity with the script. The overall tone of the text suggests a formal or official context.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with 'و' (and) or 'و اما' (and however). The ink is dark, and the paper shows signs of age.

Handwritten text in Persian script, top-right page. The text continues from the previous page or is a separate entry. It features similar cursive handwriting and dense arrangement of lines. Some words are written in larger, bolder script, possibly indicating key points or headings.

Handwritten text in Persian script, bottom-left page. The text is organized into several columns, with some lines being shorter than others, creating a somewhat irregular layout. The handwriting is consistent with the other pages, showing a clear flow of thought or information.

Handwritten text in Persian script, bottom-right page. This page contains a large amount of text, filling most of the page area. The script is well-maintained and legible, though the density of the writing makes it difficult to read in detail without close inspection.

Handwritten text in Persian script, densely packed in multiple columns. The text appears to be a collection of letters or a treatise, with some lines starting with 'بسم الله الرحمن الرحيم'. The script is in a cursive style, and the ink is dark on a light background.

Handwritten text in Persian script, densely packed in multiple columns. The text appears to be a collection of letters or a treatise, with some lines starting with 'بسم الله الرحمن الرحيم'. The script is in a cursive style, and the ink is dark on a light background.

Handwritten text in Persian script, densely packed in multiple columns. The text appears to be a collection of letters or a treatise, with some lines starting with 'بسم الله الرحمن الرحيم'. The script is in a cursive style, and the ink is dark on a light background.

Handwritten text in Persian script, densely packed in multiple columns. The text appears to be a collection of letters or a treatise, with some lines starting with 'بسم الله الرحمن الرحيم'. The script is in a cursive style, and the ink is dark on a light background.

Handwritten text in Persian script, likely a manuscript or letter, covering the top-left page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a manuscript or letter, covering the top-right page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a manuscript or letter, covering the bottom-left page. The text is dense and written in a cursive style.

Handwritten text in Persian script, likely a manuscript or letter, covering the bottom-right page. The text is dense and written in a cursive style.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a list of items, possibly related to a historical or administrative record. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. The text continues from the previous page or is a separate entry. It features similar cursive handwriting and is organized into several columns. The page is well-preserved but shows some minor staining and discoloration.

Handwritten text in Persian script, bottom-left page. This page contains more text, continuing the narrative or list. The handwriting is consistent with the other pages, showing a clear and legible script. The layout is similar, with text filling most of the page area.

Handwritten text in Persian script, bottom-right page. The text concludes the document or a section of it. It includes some larger, possibly decorative or significant, characters. The overall condition of the page is good, with clear text and visible page structure.

Handwritten text in Persian script, top-left page. The text is dense and covers most of the page, with some lines written in a larger, more decorative hand. It appears to be a continuation of a narrative or a list of items.

Handwritten text in Persian script, top-right page. The text is dense and covers most of the page, with some lines written in a larger, more decorative hand. It appears to be a continuation of a narrative or a list of items.

Handwritten text in Persian script, bottom-left page. The text is dense and covers most of the page, with some lines written in a larger, more decorative hand. It appears to be a continuation of a narrative or a list of items.

Handwritten text in Persian script, bottom-right page. The text is dense and covers most of the page, with some lines written in a larger, more decorative hand. It appears to be a continuation of a narrative or a list of items.

Handwritten text in Persian script, likely a continuation of a treatise or a list of items. The text is dense and covers most of the page.

Handwritten text in Persian script, continuing from the previous page. It includes several lines of text with some larger, possibly decorative or emphasized words.

Handwritten text in Persian script, continuing the list or treatise. The text is organized into several columns and includes various terms and descriptions.

Handwritten text in Persian script, continuing the list or treatise. It includes several lines of text with some larger, possibly decorative or emphasized words.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with 'است' (is) and 'چون' (when). The ink is dark, and the paper shows signs of age.

Handwritten text in Persian script, top-right page. The text continues from the previous page or is a separate entry. It features similar cursive handwriting and includes phrases like 'و اینست' (and this is) and 'که' (that). The layout is consistent with the left page.

Handwritten text in Persian script, bottom-left page. This page contains more text in the same cursive style, with some lines appearing to be a list or a series of observations. The handwriting is fluid and characteristic of the period.

Handwritten text in Persian script, bottom-right page. The text concludes the section or entry, with some lines showing a more formal or summarizing tone. The overall appearance is that of a well-used manuscript.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with 'و' (and) or 'و اما' (and however). The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. The text continues from the previous page or is a separate entry. It features similar cursive handwriting and includes some larger, possibly emphasized words or phrases. The layout is consistent with the adjacent page.

Handwritten text in Persian script, bottom-left page. This page contains more text, maintaining the same cursive style. There are some variations in line spacing and some larger characters that might indicate the start of a new section or a specific point being made.

Handwritten text in Persian script, bottom-right page. The text concludes the section or entry on this page. It shows the same characteristic cursive script and includes some final remarks or a closing statement. The overall appearance is that of a well-used manuscript.

Handwritten text in Persian script, likely a manuscript or a collection of letters. The text is densely packed and covers most of the page. It appears to be a collection of various entries, possibly related to a specific subject or a set of instructions. The script is clear and legible, though some words are difficult to decipher due to the cursive style.

Blank page with faint traces of text or markings, possibly indicating the end of a section or a page that was mostly empty.

Handwritten text in Persian script, continuing from the previous page. The text is organized into several columns and rows, with some lines starting with larger, possibly decorative or section-indicating characters. The content seems to be a continuation of the same subject matter as the first page.

Handwritten text in Persian script, continuing from the previous page. The text is organized into several columns and rows, with some lines starting with larger, possibly decorative or section-indicating characters. The content seems to be a continuation of the same subject matter as the first page.

Handwritten text in Persian script, likely a collection of poems or prose. The text is densely packed and written in a cursive style. It appears to be a continuation of a literary work, possibly a collection of ghazals or a longer narrative. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, continuing from the previous page. The text is dense and cursive, with some lines appearing to be part of a larger stanza or poem. The handwriting is consistent with the previous page, suggesting a single scribe or a closely related group of scribes.

Handwritten text in Persian script, continuing the literary work. The text is dense and cursive, with some lines appearing to be part of a larger stanza or poem. The handwriting is consistent with the previous pages, suggesting a single scribe or a closely related group of scribes.

Handwritten text in Persian script, continuing the literary work. The text is dense and cursive, with some lines appearing to be part of a larger stanza or poem. The handwriting is consistent with the previous pages, suggesting a single scribe or a closely related group of scribes.

Handwritten text in Persian script, top left page. Includes a small purple mark.

Handwritten text in Persian script, bottom left page.

Handwritten text in Persian script, top right page. Includes a small purple mark.

Handwritten text in Persian script, bottom right page.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with large initial letters. The ink is dark, and the paper shows signs of age.

Handwritten text in Persian script, top-right page. Similar to the left page, it contains dense cursive handwriting. The text is organized into several columns, with some lines being shorter than others, creating an irregular layout. The script is consistent with the left page.

Handwritten text in Persian script, bottom-left page. The text continues from the top-left page, maintaining the same cursive style. There are some variations in line length and spacing, but the overall density remains high. The handwriting is clear and legible.

Handwritten text in Persian script, bottom-right page. This page also contains dense cursive text, similar to the other pages. The text is written in a consistent hand, and the overall appearance is that of a well-preserved manuscript.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of notes or a short treatise, with some lines starting with 'و' (and) or 'که' (that). The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. The text continues from the previous page or is a separate entry. It features similar cursive handwriting and includes various characters and symbols. The layout is consistent with the adjacent page.

Handwritten text in Persian script, bottom-left page. This page contains more text, maintaining the same cursive style. There are some larger, bolded characters or words that stand out. The text is written in a clear but dense manner.

Handwritten text in Persian script, bottom-right page. The text concludes the section or entry. It includes some final remarks or a signature. The handwriting remains consistent throughout the document.

Handwritten text in Persian script, top-left page. The text is densely packed and written in a cursive style. It appears to be a collection of short pieces or a continuous narrative, with some lines starting with large decorative initials. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. Similar to the left page, it contains dense cursive text. The layout is somewhat irregular, with lines of varying lengths. There are some larger characters and possibly some marginalia or headings interspersed within the main body of text.

Handwritten text in Persian script, bottom-left page. The text continues from the top pages, maintaining the same cursive style. The lines are closely spaced, and the overall appearance is that of a well-used manuscript. Some parts of the text are more legible than others due to the slant and density of the writing.

Handwritten text in Persian script, bottom-right page. This page also contains dense cursive text. The handwriting is consistent with the other pages, showing a high level of skill and familiarity with the script. The text is written across the width of the page, with some lines extending towards the right margin.

Handwritten text in Persian script, top-left page. The text is dense and covers most of the page, with some lines written in a larger, bolder hand. It appears to be a collection of verses or a short treatise.

Handwritten text in Persian script, top-right page. The text is dense and covers most of the page, with some lines written in a larger, bolder hand. It appears to be a collection of verses or a short treatise.

Handwritten text in Persian script, bottom-left page. The text is dense and covers most of the page, with some lines written in a larger, bolder hand. It appears to be a collection of verses or a short treatise.

Handwritten text in Persian script, bottom-right page. The text is dense and covers most of the page, with some lines written in a larger, bolder hand. It appears to be a collection of verses or a short treatise.

Handwritten text in Persian script, top-left page. The text is dense and written in a cursive style, with some lines appearing to be part of a list or a structured document. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Persian script, top-right page. Similar to the left page, it contains dense cursive text. There are some larger, more prominent lines that might serve as section headers or important notes. The handwriting is consistent with the left page.

Handwritten text in Persian script, bottom-left page. The text continues from the top-left page, maintaining the same cursive style. The layout is somewhat irregular, with lines of varying lengths and some overlapping text.

Handwritten text in Persian script, bottom-right page. This page also contains dense cursive text, with some lines that appear to be more formal or structured than others. The overall appearance is that of a well-used manuscript or a collection of related documents.

Handwritten text in the top left corner of the left page, likely a marginal note or a small section of the main text.

Main body of handwritten text on the left page, written in a dense, cursive script.

Main body of handwritten text on the top right page, continuing the script from the left page.

Main body of handwritten text on the bottom right page, continuing the script from the left page.

Handwritten text in Arabic script, likely a continuation of a treatise or a collection of letters. The text is densely packed and covers most of the page. Some words are written in larger, bolder script, possibly indicating a new section or a key concept. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Arabic script, continuing from the previous page. The text is dense and fills the page, with some lines written in a slightly larger hand. The right edge of the page is irregular, suggesting it was part of a bound volume. The overall appearance is that of a well-used manuscript.

Handwritten text in Arabic script, continuing the discourse. The text is written in a consistent hand, with some variations in line length and spacing. The page is filled with text, and the margins are narrow. The paper is aged and shows some staining and discoloration.
